

ATTENTION

Protect yourself from COVID-19 and stop the spread of germs.

Simple steps help stop the spread of COVID-19 and other viruses:

Wash your hands often with soap and water for at least 20 seconds, especially before eating.

Maintain a minimum six-foot distance from one another.

Avoid close contact with people who are sick.

Stay at home when you are sick.

Don't touch eyes, nose or mouth with unwashed hands.

Sneeze and cough into a cloth or tissue or, if not available, into one's elbow.

Put tissues in the trash bin and wash hands.

Don't shake hands or engage in any unnecessary physical contact.

Avoid crowded places. Observe social distancing.

Keep objects and surfaces clean.

COVID-19 (CORONAVIRUS) IS HIGHLY CONTAGIOUS.

Please **DO NOT** enter this facility if:

- You have been in close contact with a person who is ill with the coronavirus.
- You are currently experiencing a fever, cough or shortness of breath.

THANK YOU FOR HELPING KEEP OUR COMMUNITY SAFE
